

CHEMICAL TOILET HIRE

Sanitation that shows up on time.

Construction sites · Events · Festivals · Municipal projects across South Africa.

DBM Facility Services · B-BBEE Level 1 · 083 367 6248

WHY DBM SANITATION

Reliable units. Strict service schedules. One accountable contractor.

From a single VIP unit at a wedding to a 40-unit construction contract, every DBM toilet is delivered clean, fully stocked and serviced on a documented schedule. We handle delivery, weekly servicing, waste removal and emergency call-outs — keeping your site OHS Act and municipal compliant.

Recommended ratio	1 / 10 workers	1 / 50 guests	Per OHS Act

FREQUENTLY ASKED

Quick answers.

How quickly can you deliver?

Standard delivery is within 48 hours in Gauteng, Western Cape and KZN. Same-day emergency delivery available.

How often are units serviced?

Once a week minimum, with twice-weekly or daily servicing on busy sites. All servicing is logged and signed off.

Do you handle waste disposal?

Yes — waste is removed by licensed sub-contractors and a manifest is provided for your compliance file.

How many toilets do I need?

OHS Act benchmark: 1 unit per 10 workers on construction sites; 1 per 50 guests at events. We'll size on inspection.

Do you service rural and remote sites?

Yes. We mobilise to all 9 provinces with our own logistics fleet.
